**Position and role description:**

We are looking for a leader who will own the opportunity to create a higher level of green business services in Boulder County and beyond. We currently have a solid base of local recycling accounts and we wish to grow them into the Zero Waste model and to expand the number of businesses committed to Zero Waste significantly. The role is in a fast paced environment that will require leadership, vision, commitment, and proven execution around financial discipline and marketing.

**Skills:**
- Public speaking
- Superior communications
- Understanding business systems and processes
- Marketing and messaging
- Successful team building

**Experiences:**
- Leading a movement or created a community
- Founder-level experience in at least one startup
- Have taken enough risks to create plenty of failures
- Have created a balanced life
- Worked for or volunteered for a non-profit
- Worked in the green and sustainable industry ideally
