Zero Waste Community Events

Eco-Cycle is demonstrating Zero Waste in action and saving resources by making events all over Boulder and Broomfield Counties Zero Waste. Look for us at your local festival, barbecue, or pancake breakfast this summer! More events still to come, so check back often.

We've received national attention for our Zero Waste Events program. [Read the article](#) and [find other press on Zero Waste](#).

Zero Waste Event Calendar 2008

The [Boulder Farmers' Market](#) and the [Longmont Farmers' Market](#) are ongoing Zero Waste events throughout the summer. Join us at either market as a [volunteer to help spread the Zero Waste message](#).
