

# Compost, Recycle, or Trash?

There are lots of ways we can reduce our waste - like composting food and leaves, or recycling paper, tin, aluminum, and glass. For each item below, decide if it can be composted, recycled, or should be put in the trash. Draw a line from the item to the correct bin.

COMPOST

RECYCLE

TRASH

COMPOST: Leaves, Apple core, Branch, RECYCLE: Glass bottle, Aluminum can, Cardboard box, Plastic water bottle, TRASH: Chip bag, Candy wrapper.
